GOD'S HYGIENE HELP CENTER

*providing hygiene,
dignity and hope
to those in need
with the compassion of Jesus*

GOD'S HYGIENE HELP CENTER

In 2012 Tammy Jewell saw a need for hygiene and cleaning items for those in need of dignity. The food pantries and shelters were supplying many needed items, but Tammy realized that there were no resources for dignity items. She has always helped people, but how much help could she provide on her disability check? God told her, "You open a help center and I will provide."
